JOIN US IN AN EXCITING OPPORTUNITY W/ **ATTY. GEN. SEAN REYES!**

Your 5th grade students are invited to participate in an exciting program this September with UT Attorney General Sean Reyes!

- **Leading up to Constitution Day, September 17**, and up until September 16, Attorney General Reyes' office will take *and answer* questions on the U.S. Constitution from 5th grade students throughout the state!
- The questions that will be asked and answered will come *exclusively from 5th grade students*. **We are therefore looking for questions from your students – from ALL 5th grade classes!** Written responses will be provided to each question by the AG's office.
- Questions should work their way from individual teachers to their school principals, who will then forward the questions onto **Jennifer Welsh** in the Attorney General's office by email at jwelsh@utah.gov.
- Founded in 1996, **The Liberty Day Institute** is a 501(c)(3) nonprofit organization dedicated to educating youth on the U.S. Constitution and American government. The Institute is affirmatively nonpartisan and nonpolitical. Neither Attorney General Sean Reyes nor the Utah Office of the Attorney General is affiliated with The Liberty Day Institute, but is supportive of efforts to expand civics education about the US Constitution.

"The Constitution continues to protect us today, guaranteeing individual freedoms, such as the right to speak, to worship, and to gather, as well as describing the powers and duties of Congress, the President and judges and the relationship between the states and national government," **said Attorney General Reyes**. "It is an inspired document, and though it has been amended 27 times, it is no less important now than it was when it was written two hundred years ago. I hope you will enjoy learning about it and will come to appreciate it as much as I have."
